SPT Tripod 107

Tripod for SPT soil sampling, with gasoline engine

TMG manufactures an SPT tripod system for SPT soil sampling. This lightweight and very portable SPT tripod system comes complete with aluminum tripod and capstan motor system.

The 7hp gasoline engine has a gear reduction system that increases the torque of the capstan, allowing easy lifting of manual hammer.

The kit comes complete with a tripod, capstan motor system. You can also purchase the optional manual SPT hammer and AW or AWJ rods directly from TMG.

***LIGHTWEIGHT
ALUMINUM CONSTRUCTION***

***7-HP
GASOLINE ENGINE WITH GEAR REDUCTION***

***18-FT
COMPLETE ASSEMBLED HEIGHT***
